2. Stay Safe & Aware:

Be mindful of your surroundings and equipment, especially during activities like:

- **Disc Golf:** Wait your turn, avoid walking in throwing zones, and be respectful of players and property.
- **Hoverball Archery & Stick-It-Safe Archery:** Watch and listen to the directions provided by Genesee County Parks staff. Always aim safely. Never touch arrows or bows unless directed.
- **Binoculars:** Use gently and return them when finished. Look with care, only use binoculars when you are still.

3. Be Kind & Include Others:

Take turns, encourage teammates, and help make the space welcoming for all.

4. Respect the Place:

Whether in a park, neighborhood, or event space, leave it better than you found it. Trash goes in bins, and nature stays in place.

5. Genesee County Parks Staff reserve the right to refuse service to those who ignore these guidelines or pose a threat to equipment, staff, others, or themselves.

Let's have fun, stay safe, and show respect for each other and the outdoors!
